Unification Termed Necessary By Educators

Lemon Grove Review

VOLUME 5; No. 13 LEMON GROVE REVIEW November 20th., 1952 10c per Copy

Letter To The Editor

The people of Lemon Grove are faced with a serious decision on December 5. Should we unify or should we not unify our school district? Opinions have been voiced both by the proponents and opponents.

I must say that as former President of the San Diego Taxpayers Association and being interested in the grievous problems of taxation that the little home owner is facing, I analyzed this proposition from stem to stern. After careful analysis I came to the conclusion that if we are to stand with the men and women who have had the vision and the courage to see the necessity for a unified school district then we must spare no effort to see to it that the children of this day and generation get the kind of an education to which free Americans are entitled.

Charges have been made that the unification proposition has been railroaded. This charge, I find to be entirely unfair and false.

I have met with all of the members of the school board and with the people who have seen the need of our own school system locally guided and controlled. A system where our children and grandchildren will not have to be spending a great portion of their time on school buses.

The Grossmont school board has not been consistent in allowing our representatives a hearing. It has been taxation without representation. The statement that a high-school is unnecessary in Lemon Grove is debunked by the enrollment figures. The statements made in last week's letter to the Review by a local citizen are amazing if anyone were to take them seriously. The County school committee that studied the problems of our district, voted 15 to 3 in favor of a unified Lemon Grove School District. The State Board of Education voted 10 to 1 in favor of allowing us to unify if we so desire. In spite of the fact that those opposed to unification made the most eloquent pleas in opposition to it. The statement that our taxes would go up are not correct. Our taxes stand the position of dropping about $1.00 per $1000.00 of assessed valuation if we unify.

A high school would be built and paid for with State funds that come from the sales tax and other state revenue.

For some reason or other there are those that would like to camouflage the issue giving us generalization and half truths.

The real issue is, do we need a high school in Lemon Grove? This we do for we are of age as a community locally supported and controlled by our own people for our own children. I feel that at all costs we should vote "yes" on the unification of the Lemon Grove school district if we believe that the government of, for, and by the people should remain in our control.

—Frank B. G. Gigliotti

MICHAEL'S MEALS ON A 7 DAY WEEK

Dining room at Michael's Steak House will be open seven nights a week beginning Monday, according to Henry Goldy, proprietor. The club formerly closed it's kitchen on Monday. "Popular demand made us go on a seven day basis," Henry said.

A special Thanksgiving Day Dinner will be served all day Thursday.

109 Votes Cast 6856 Eligible

R. Marvin Jackson and F. L. Boyd, both incumbents were returned to the Grossmont Hospital District, of which Lemon Grove is a part, by a 3 to 1 majority.

Total votes cast were 1,537. Boyd got 1146, Jackson, 1079, Clark D. Cunningham 407 and Wallace Miller 389.

In Lemon Grove 109 votes were cast from among 6856 registered voters. Jackson got 86, Boyd 85, Cunningham 19 and Miller 21.

The election is reported to have cost taxpayers upwards of $3,000.

Union Service At Congregational Church

A Union Thanksgiving Service will be held at the First Congregational Church at 9 o'clock on Thanksgiving morning. Those participating will be the United Presbyterian Church, pastor Rev. Raines will conduct the service; the new Methodist Church just starting up in Lemon Grove; the Seventh Day Adventist Church, and the Vista La Mesa Christian Church will bring their choir for the special music.

The following new members were received into the fellowship last Sunday: Mr. and Mrs. G. R. Curry of 7295 Central Ave., Mr. and Mrs. Thomas Walters, daughter, Joan, and son, Eugene T., of 5322 Maple St., of San Diego; Mr. and Mrs. Otan Collins, and daughter, Patricia, 7287 Central Ave., and Douglas Wayne Beels, 3276 Alford St. Those receiving Baptism were Joan Walters, Douglas Beels and Steven Studor, infant son of Mr. and Mrs. Gayle Studor of 3315½ Wilson Ave., San Diego.

The Young Mrs. Club meet in Friendship Hall every Monday night at 7:30 for Square Dancing. Dale Hamilton and Stanton Bryan are the callers. More couples are needed.

Review May Have To Give Maps On Sprouse-Reitz

The Review has been unable to pin-point the exact location of Sprouse-Reitz until now due to typographical difficulties.

Such outstanding guardians of the community's business development such as George Casteel, Rev. Dan Apra, Roy Lane, Jim Pearce and various others pointed out that we called it Broadway when we meant Imperial in referring to the firm's planned location.

Lest we lose its location again, it's south of Broadway, east of Imperial. It's to the east and beyond Piggly Wiggly and Carr's Hardware, on the same side of the street. For the information of topers it's across the street from Michael's cocktail lounge.

Annual Founder's Day dinner of the Lemon Grove Woman's Club Juniors is an important event.

Juniors are sponsored by the club bearing the same name.

At the speaker's table at the November 11th event are seated: Mmes. Gilbert McClure, charter member of the Juniors; H. Irving Vernier, senior advisor for the Juniors; L. Scagliotti, president, Juniors and Amy Sonka, past senior advisor.

Standing are guests Gilbert McClure, H. Irving Vernier, L. Scagliotti and H. Miller.

Dinner was held at the Woman's Club club house.

CLERK, $2000 MISSING FROM LEMON GROVE COURT

A familiar face and some familiar old money are listed as "missing" from the Lemon Grove scene this week according to Dist. Atty. Don Keller.

William J. Morgan, 51, missing clerk of the Homeland Justice Court on Main Street in Lemon Grove who left a note begging forgiveness from his wife is being sought on a warrant charging embezzlement of public money. Amount missing is said to be "at least $2,000."

The complaint, signed by Justice Jean Daze Ratelle, of the Lemon Grove court, contains nine counts. Morgan is accused of embezzling according to Dist. Atty. Don Keller, at various times between Oct. 2 and Nov. 13.

The total loss, according to Capt. Arthur O'Keefe, assistant district attorney, will not be known until an audit is completed.

The first seven counts of the complaint involve comparatively small sums, but the last two charge he took $558 and $572.75 in fines, bail money and other sums entrusted to his care just before he disappeared.

First indication of the shortages came when Morgan failed to report for the court's regular evening session last Thursday.

The note to his estranged wife, found when district attorney's investigators searched the home at 4415 49th St., where they had been living, also said; "This is not the best or easiest way out." The note was found Friday.

Morgan, Keller said, had been using current court receipts to cover earlier shortages. He encountered trouble when October receipts failed to make up the court's bank account.

Morgan's note to his wife, signed "Bill," also said: "Things are really in a mess, so much so that I myself do not know how much. I am going to try to make it all up."

Morgan held a temporary appointment under civil service as a chief clerk in the county clerk's office for 2½ years up to Sept. 30, 1950. He resigned then to take the justice court job.

He had taken the civil service examinations after leaving the Navy.

WHO'S WHO IN LEMON GROVE

Reverend Rex E. Lawhead is the new assistant pastor of the Trinity Presbyterian Church. Many folk will wonder why it is that a church so new, it was just started this year, already needs ministerial aid.

Reverend John Chandler, who started the church at the beginning of the year answers that succinctly. "We grew fast because we have a good church," says he.

It grew so big, in fact, that Reverend Lawhead gave up a pastorate at Long Beach to locate here. "It was a good one, too," says he.

Between Long Beach, and a pastorate in Burbank, he served in War II. As a Chaplain he was assigned to the 749 Railway Operating Battalion 80th General Hospital and was part of the first wave ashore in the retaking of Manila.

His outfit had the responsibility of rebuilding railroads behind the retreating enemy and was subject to strong enemy sniper fire. He escaped injury in this dangerous assignment, although a hole was blown in the jeep in which he was riding. A spine injury suffered at sea in the South Pacific led to his eventual discharge, however.

Golf and fishing hold his present away-from-church attention, especially fishing. An inveterate fly fisherman, he is of the school which believe strictly in tieing ones own flies. However, a year ago he caught a marlin off the Coronado Islands and he is now torn between the big fish and the little ones.

Reverend Lawhead and his wife Lillian occupy a rambling three bedroom house at 4494 Alamo Drive and has never ceased being amazed at the growth of Rev. Chandler's church since his arrival here recently.

"It's truly the most remarkable community I have ever come into. The intense interest of so many persons in their church indicate we will have a continuing happy ministry here."

A pleasant ministerial assignment is made more pleasant by occasional visits from grandchildren Linda Sue and Robert Lawhead, children of his son Dr. Robert Lawhead, a research engineer with North American Aircraft. The grandchildren are frequent visitors from Sherman Oaks, much to grandfather's joy.

"Grandchildren are even more fun than one's own children," rationalized the reverend. "When you get tired, their mother and father take them back. Grandchildren," says he "is a great hobby."

Grandchildren and fishing are both great hobbys opines Reverend Lawhead, but he things that as satisfying as any kind of fishing is the type he is so deeply engrossed in now.

"We're fishing for men," he says," and in this case the "fish" benefits along with the fisherman.

As part of the promotion designed to focus attention on electric ranges, Lemon Grove appliance dealers are offering up to 25% more on trade allowances for old ranges on the purchase of new ones during the month of November.

In the photo, Barbara Howe, co-proprietor of C. P. Appliance, is telling homemaker Ruby Carter some of the advantages of cooking with electricity.

WELL MANNERED CROWD TURNS OUT FOR OFFICIAL MEETING ON UNIFICATION

About 100 persons turned out for the official meeting on school district unification Wednesday night at San Miguel school.

School laws require such a meeting at least ten days prior to election date. Lemon Grove residents will vote on unification December 5th.

The meeting was not as spirited as some of the ones held previously which indicated that most voters had settled down in their beliefs and would exercise their prerogatives at the polls.

The meeting, under the direction of the County Committee on School District Organization, the group which originally recommended that Lemon Grove unify, seated only one member against the proposition. That member was Lester Freeman, member of the Grossmont District High School Board.

Under questioning Freeman stated that Grossmont "had no plans for a high school in Lemon Grove," at present or at the time unification became a question.

Freeman also stated that he could "not truthfully say that the educational program would cost more" under a unified program. He also observed that he "couldn't see how it could cost less."

Judging by applause following individual committee members' statements it appeared that the group was in favor of unification by about three to one.

Grove Bank Handing Out $31,000

Christmas funds totaling almost $31,000 will be mailed out early next week to Lemon Grove Christmas Club members, it was announced today by Jack Koop, manager of First National Bank here.

Three hundred sixty Grove residents have been depositing to their Christmas Club accounts regularly during the year. A total of $623,000 is being disbursed by First National's eleven offices in San Diego County.

While about a third of these funds will be used for holiday shopping, another third will be invested in permanent savings and insurance premiums, with the balance going for mortgage payments, taxes, education, year-end bills and miscellaneous purposes.

Enrollments for the 1953 Christmas Club are being accepted at all First National offices, starting this week, Koop said.

Mother Goose Court At McMahan's Fri.

Princess of the El Cajon Mother Goose Parade, Evelyn Davis, and her court will return to McMahan's Furniture store Friday, Bud Stewart, store manager announced.

A turkey will be cooked and served to all visitors in an appliance demonstration marking the queen's visit.

All Grove visitors are invited to meet the attractive court members, and have some turkey, too.

Dessert Bridge For Woman's Club

Lemon Grove Woman's Club is giving a dessert bridge and games party in the clubhouse, 2810 Main street, beginning at 12:30, December 2, to raise funds for a new roof on the clubhouse. Committee in charge includes, Mesdames Charles Brown, H. L. Bowers, Fred Johnson, R. B. Haynhurst, Ralph Richardson, H. J. Warner and E. D. Buffaloe. Bring cards or games you wish to play, there will be table and door prizes and a donation of 75 cents each is asked. Phone reservations by calling Mrs. Bowers, H6-0078 or any of the committee. Plans are also being made for a rummage sale to be held in the Grove, January 16 and 17, also a spring bazaar, March 31.

League of Women Voters to Meet Monday

Members of the East San Diego unit of the San Diego League of Women Voters will meet Monday, Nov. 24, at 7:30 p. m. at the home of Mrs. Ian Thomson, 4081 51st Street, to continue the study of their local project. While the subject for discussion is local responsibility for the protection and treatment of dependent and delinquent children, emphasis is being put on a study of the Receiving Home situation in San Diego.

Teen-Ager Writer Will Be In Recital

Beverly Henderson, soprano, Review Teen-age Columnist, will sing at Concert Hall on November 30 and will be accompanied by Valerie Loustalet, who will play several piano selections. Beverly has appeared on T. V., radio, and numerous clubs and benefit performances throughout San Diego. Valerie has performed at many clubs and recitals, and is the organist at the Congregational Church in Lemon Grove.

DR. T. A. CROW, D. O.

Dr. Thayer A Crow is opening offices in Lemon Grove this week, he announced today.

Dr. Crow will occupy the offices formerly used by Dr. Peter Shea at 3358 Main Street. Shea is now in the service.

Dr. Crow, a physician, surgeon and osteopath is a 10 year resident of Lemon Grove. He graduated from the Los Angeles College of Osteopathic Physicians and Surgeons and interned at Hillside Hospital in San Diego. Until recently, he practiced with his brother in San Diego.

The new office will be completely remodeled and will consist of 4 treatment rooms, a consultation room, reception room, nurses office and laboratory.

Complete List Given On Lane's Winners

Complete list of winners of door prizes at Lane's Shoes Inc. opening celebrating is listed herewith. The $65 men's suit was won by Jame Braught, 2601 Sherie; Mrs. James M. Gillespie, 7575 Hughes, was winner of the $45 bicycle and Jayne Arthur Beers won the set of table silver.

The opening, termed a "success" by Roy Lane was inadvertantly delayed by failure of a merchandise shipping schedule but the store is in full operation now.

Gift merchandise, such as house slippers for men and women have been added since the opening, he said.

Unification of the Lemon Grove School District is necessary and desireable, according to local school authorities.

It will make possible the construction of a high school in Lemon Grove. The Grossmont District has no plans at present, or in the future, for a high school here. Even though there are between 1,300 and 1,400 children now in the first four grades in the elementary schools in this district, they say.

Only by unification will the Lemon Grove Scool District be able to "operate a true Junior high program that includes the 9th grade, thus offering in enriched program to grades 7 and 8," according to Byron Netzley, Lemon Grove District superintendent.

It is the only form of school organization that will insure strong, efficient local control of a complete educational program in the Lemon Grove District, since it will provide a five member board made up of residents from within the school district, most civic leaders believe.

Unification is the only method of school organization which will provide a sensible High School District arrangement in the event La Mesa becomes a unified district. If La Mesa unifies and we do not, the Grove would remain part of the Grossmont District yet would be isolated from it, they point out.

By organizing as a unified district can Lemon Grove take advantage of the $5 per pupil bonus that the State Legislature grants for a five year period to a newly unified district, thus providing the Lemon Grove School District approximately $87,500 in additional state funds over and above the regular state payments. Unification will automatically drop off the $1.10 excess tax levy now in effect in this district — 50c for elementary schools, 60c for high schools. Dropping this excess tax levy will give the voters an opportunity to decide whether the replacement of this excess levy is necessary after they have had an opportunity to see the effect of additional state funds provided by the passage of Proposition No. 2 on the November ballot.

All school districts in this area have had to bond themselves to its capacity and seek state aid in order to meet their school building needs. This will continue whether unification takes place or not. Schools will be required to levy a 40c tax rate for the repayment of local bonds and state loans. The following school enrollments clearly indicate a continuing need to furnish additional school buildings. By 1955 the pupil enrollment in the La Mesa District La Mesa Junior High School, and will fill Grossmont, Helix High, will require 70 additional elementary classrooms in that district. With nearly 1,400 children in the first four grades in this district, construction of a high school is necessary and would not be a waste of state funds.

Funds, resulting from passage of Prop. No. 2, will supply the financing for operation of the educational program This, together with the 40c levy will cover the costs of building and operation of a high school without additional taxes upon the residents of the new district

GROSSMONT HIGH TO DOUBLE STUDENT POPULATION IN 8 YEARS

Here's the way educators look at the district's future student High School pupils population:

Grossmont and Helix — Present Total 4 upper grades	3,722
Grossmont Elementary district — Present total 4 lower grades	5,310
Grossmont Elementary district	7,245

Upper 4 grades will be the minimum high school total in 4 years. Same holds true of lower 4 grades after 8 years.

These figures are based on no further home construction in the district however, new homes add to the total

by Max Goodwin

Are you in your late 30's—and conscious that middle age, when a man starts slowing up, is just around the corner of the next decade? Or in your 40's or 50's or 60's—knowing darn well you're a far cry from what you once were when the old reflexes were sharp and the muscles supple and coordination of mind and body keen?

Then have a laugh at Father Time—with Willie Hoppe. You've celebrated a lot of birthdays if you can remember when Willie, age 19, won the 18.1 billiard championship of the world from Maurice Vignaux. That was in 1906. Since then Willie Hoppe has won world titles in the various balkline styles and three-cushion play a total of 50 times.

Last week in Chicago, Willie Hoppe announced his retirement from professional play. The point is, Hoppe is retiring, at age 65, not as a has-been looking back upon faded glories—but as the world champion billiard player as of right now! He won the three-cushion title last spring in San Francisco against the best in the world! And he isn't quitting now. He'll continue playing exhibitions and teaching the game—from now on.

Turning 40, or 50 or 60—or 70, for that matter—and feeling you're slipping? It's a laugh!

THE BIBLE SPEAKS

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Matthew 6. DEVOTIONAL READING: Psalm 40: 1-8.

Sincerity

Lesson for October 19, 1952

SOME say an insincere person isn't what he seems to be. That is not quite true. An insincere person is what he seems to be, only not all the way through. He is what he seems to be, on Sundays, or part of the time, or when he's feeling just right; or perhaps he is what he seems to be, but only on the surface. The rest of the time, or underneath that surface, he is something quite different. Everybody likes sincere people, nobody wants to have much to do with the insincere.

Dr. Foreman

PRIZE WINNER . . . The Nobel prize in medicine for 1952 was awarded to Dr. Selman Waksman of Rutgers University in recognition of his work as co-discoverer of streptomycin in the field of microbiology.

REPORTS ON REDS . . . Peter Brown, chairman of subversive activities control board, reported that the U.S. Communist party is dominated and controlled by Russia and should be obliged to register with justice department.

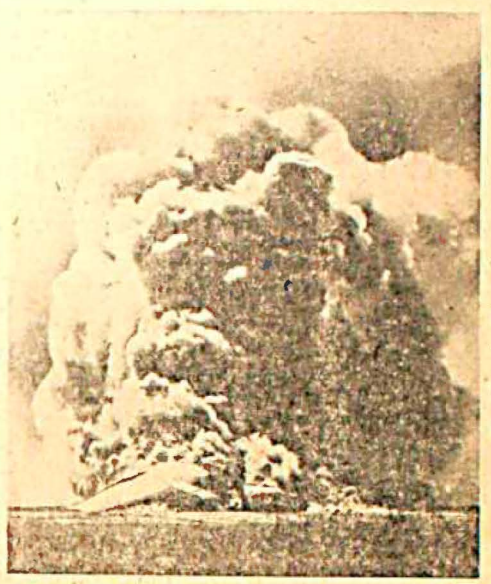
Spanish Play Highlight Of School Trip

Viva La Festa, the Spanish play, presented at Padua Hills Theatre November 15 was attended by 43 Spanish II and III students. They were accompanied by Mr. and Mrs. Villafreal, and Mr. Echeverri.

The 43 students had the two official Helix photographers, Marve Benson and Bill Kingston, who made a photographic record of the trek.

The featured occasion for the day was for most of the party, the play, but for many others the stops at Claremont Associate Colleges was the high point of the day. They made a cultural tour of the four colleges, Pomona, Scripps Women's College, Claremont Graduate School, and the new library which is famous for its collections of international documents for research work. The males of the group agreed that, from their point of view, the visit to Scripps College was the most interesting part of the tour of the trek.

This trip held varied interests.



FOUR DIE IN JET BOMBER CRASH . . . A great ball of smoke, reminiscent of the A-bomb mushroom, rises from the wreckage of the B-45 jet bomber that crashed at the Lockbourne air force base in Columbus, killing the four men aboard. The aircraft apparently encountered mechanical difficulty in the takeoff. The big jet swerved from the runway and burst into flames as the landing gear collapsed. Plane was on routine flight.

Nobodies

Then there is Thomas, for instance. Just the oposite of Peter. A cold, gloomy man. Takes the dark view of everything. What you want in the church is men of faith, and this is a man who is sure to be called the Doubter. Skepticism is contagious, we have enough doubters now without electing another one. Let's leave him out. Then there is Philip, a stupid man if ever you saw one. You can say a thing to him over and over and he still won't get it. And Bartholomew and Thaddaeus or Lebbaeus or whatever his name is, and another James and another Simon—their names are common and so are they. Just who are they, the whole lot of them? Nobodies, that's all you can say. Can you name one that has made a name for himself outside his native village—or in it, for that matter? What have they got to contribute? Haven't we got enough dead wood in the church as it is without adding some more people who will be nothing but names? Seems to me the pastor must have been scraping the bottom of the barrel—these men certainly didn't come from the top.

The Editor

Dear Mr. Goodwin:

Through the combined efforts of many groups working to maintain an adequate educational system in our community, Proposition No. 2 was endorsed by the voters locally as well as state-wide in the recent election.

The members of the Lemon Grove District Teachers Association wish to express sincere thanks to you and your paper for the "Yes" stand taken on the proposition.

Sincerely,
Margaret L. Darroch
Public Relations Chairman
Lemon Grove District
Teachers Association.

Grove Masons To Dine Friday

LIFESAVING TRY IN VAIN . . . New York police emergency crew tries to revive Alice Belber who tried to save Louis Martinez from falling through skylight into six-story shaft and fell with him to death.

So what if she can't fly? San Diego Air Games hostess, Patricia Allison will be on hand to present awards to winners of the various events at the air meet which will be held at Montgomery Field October 4 and 5. Events will begin at noon both days. Sponsor of the event is the San Diego Junior Chamber of Commerce.

LETTERS TO THE EDITOR

Mr. Max Goodwin
Lemon Grove Review
Lemon Grove, California
Lemon Grove, California
Dear Mr. Goodwin:

The student council of the Lemon Grove Intermediate School wishes to thank your paper for supporting Proposition No. Two and No. Twenty Four in the election. Our schools in California need more money to support them because so many people have moved here.

Now we can hope to continue our studies in school with plenty of buildings, supplies and good teachers. All our students are happy that these propositions propositions passed.

Sincerely,
Ronnie Mulder, Secretary
Student Council
Lemon Grove Intermediate School

P. T. A. Reports On Hallowe'en Carnival

The executive board of the Lemon Grove School P. T. A. met at the home of Mrs. Harold Randall, 7848 Nichols Drive, on Tuesday evening, November 11. Mrs. Robert Beckham presided. A report on the recent Hallowe'en Carnival was given by Thomas Brogan, general chairman for the annual event. It was announced that the membership drive last month resulted in 560 members to the association, far above the set goal. Plans for the November program to be held on November 20 were discussed by the group, and the coming Christmas Concert of the Lemon Grove School music department was also a topic for discussion.

Attending the meeting were Mmes. Edward Kinyon, Virgil Danielson, Margaret Darroch, Evelyn Whalen, Herman Bryant, Lynn Upton, J. W. Burgreen, H. K. Newell, Robert Brown, Carl Pianchon, Loy Holmquist, and W. L. Birtch. Also at the meeting were Rolland Purves, Ben Schei, and Burton Jones.

The next meeting of the board will be on December 9 at the home of Mrs. Virgil Danielson.

Rev. Sears to Organize Methodist Sunday

Rev. C. A. Norcross, pastor of the new Methodist Congregation which meets each Sunday morning in the Seventh Day Adventist Church reports the church will be officially organized Sunday, Nov. 23rd. Rev. Hayden S. Sears, District Superintendent of the San Diego Methodist district, will preach Sunday morning on the topic "Concerning the Nature of Christ's Church," after which he will officially organize the church and receive members. The pastor reports new people continue to join the group each Sunday but there are still others expected to be coming. The pastor urges all Methodist in this area to come into this fellowship at this time as charter members. Everyone is welcome.

Grove Teachers In L. A. For C. T. A.

The Lemon Grove District Teachers Association was represented at the California Teachers Southern Section meeting in Los Angeles last weekend on November 14 and 15 by Donna Dreyer, CTA representative, Peg Darroch, public relations chairman, and Rick Stammerjohn, local club president. The proposal change in the teachers retirement system was one of the main topics brought before the council meeting.

N. E. Y-W-Wives Have Waffle Party

Mrs. Orville F. Reese, 8150 Lincoln St., entertained the members of the Northeast Y-W-Wives Club at a waffle party Friday. Attending were Dorothy Ann Cristy, Helen Haskett, Erma Monson, Maxine Pierce, Alicia Schenneman, Peggy Pierik and Ruth Sewell. Those from Lemon Grove were Catherine Grandfield, 1912 Eldora, and Nan McTear, 8160 Lincoln St.

Grove Women To Sell Tickets To 'Peter Pan'

"Peter Pan" is being brought to Russ Auditorium, November 29th, in a Clare Tree Major production, sponsored by the San Diego Branch of the American Association of University Women, to provide funds for this year's college fellowship and other philanthropies.

Mrs. Ralph J. Christensen, 8515 Hillcrest Dr., has the extensive job of handling ticket sales for Lemon Grove, La Mesa, El Cajon, and Spring Valley. Among those active in the San Diego Branch of A. A. U. W. from Lemon Grove are Miss Elsie C. Tait, 3059 Olive St., and Mrs. Paul A. McCormick,

Helix Goes Plaid Mad!

Friday was a big day at Helix. It was Plaid Day in honor of the Helix vs. Hoover game, the last City Prep League game of the season for the Highlanders. All loyal Highlanders wore something plaid or green and grey Friday.

The highpoint of the day was a pep assembly in which the song leaders, cheer leaders and football team exchanged places. However the game could not be resumed after the half time because of a slight invasion of California "liquid sunshine."

The girls played football while the boys led the songs and cheers. Song leaders were Carlos Packroll, Tommy Kelly, Ernie Merk, and Jerry Hurst. Cheerleaders were Cedric Jordan, Don Bender, Bruce Bender, and Jody Crane. Among the football players were: Sandi Hesen, Alice Cooler, Patti Culver, Marilyn Sharp, Hoan Wilson, Renee Wilson, Shirley Campbell, Donald Beebe, Cecilia Lyons, Dale Gail, Luralea Hutchings, Skippy Fletcher, Barbara Renke, Donna Kreder, Charlene Hansen and Bernadette Medina.

The after game dance was sponsored by the Min Tidiers, a Helix social service club.

Woman's Club Jrs. Meeting To Start Early

The November 25th meeting of the Lemon Grove Woman's Club Jrs. will start at 7:30 in order to have Capt. Vivian Johnson, Salvation Army, give a talk about the Door of Hope. At 8:30 there will be an open meeting for a panel discussion of the Unification problem in Lemon Grove. The panel will consist of Rev. Dan Apra, Mr. John Dail, Mr. Robert Sutton, Mr. Bill Brown, Mr. Kenyon and Mr. Buckner. Mr. Byron Netzley was asked to attend but had a previous engagement. This meeting is open to all interested residents of Lemon Grove and will take place in the Woman's Clubhouse at 2810 Main Street.

Hostesses at this meeting will be Mmes. Richard G. Spry, James A. Martin and Robert B. Hamilton.

VLM Choir Director Writes Christmas Cantata

Richard M. Hendee, director of the three choirs of Vista La Mesa Christian Church, has composed a Christmas cantata, "The Prince of Peace," with the text being written in collaboration with the director of the United Presbyterian choir, Mrs. Genevieve Oliphant. Joint rehearsals are under way for the adult choirs of the two churches, and the cantata will be presented in both churches during December. The choirs will meet in United Presbyterian at 7:30 p. m., Wednesday, November 26.

Capt. Rumble's Family To Visit Verniers

Mr. and Mrs. H. Irving Vernier, of Vernier Drive are looking forward to a week's visit from their daughter and son-in-law and children.

Captain Henry P. Rumble, USN, and Mrs. Rumble, and their three children will arrive Saturday, November 22nd.

Captain Rumble is Superintendent of Ship Repair at Mare Island.

Books To Be Distributed By Adventists

The American Bible Society's annual Worldwide Bible Reading program will receive a boost Saturday when Seventh-day Adventist church members will visit homes in La Mesa and Lemon Grove to encourage greater Bible study, according to Willis L. Hyatt, pastor.

Church workers will distribute bookmarks suggesting selected passages of Scriptures for daily reading from Thanksgiving to Christmas, centered on this year's theme, "The Word of Life."

Federal Market Gets Green Stamps

The Federal Market is Imig Park, at Federal and 47th Street have been named distributors of S & H Green stamps. The market's two owners, Chris Boss and Jack Lee said that there would be no change in their current low prices ,that Green Stamps is simply an added attraction at the market.

The two men purchased the market several months ago and have been remodeling and expanding it. Other attractions to appeal to the money conscious

Make Mo' Molasses Cookies

Soft molasses cookies have been fist-hugged ever since they were first offered to children. This claim to fame lies in the distinctive flavor of unsulphured molasses which is both mellow and aromatic.

Round, crinkly-surfaced molasses cookies are excellent just as they come from the oven, or you can make a confectioners' sugar and water icing to guild them for special effect.

Molasses will always win flavor admirers if people are introdnced to the old-fashioned, sweet kind. This unsulphured type, the concentrated juice of sugar cane, is also a delicious syrup for pancakes or flavorer of milk drinks.

Soft Molasses Cookies

- 1 cup shortening
- 1½ cups unsulphured molasses
- ¼ cup sugar
- 4 cups sifted all-purpose flour
- 1½ teaspoons salt
- 2 teaspoons baking soda
- 2 teaspoons cinnamon
- 1½ teaspoons ginger
- ½ teaspoon cloves
- 1 egg

Melt shortening in saucepan large enough for mixing cookies. Stir in molasses and sugar; cool. Sift together flour, salt, soda, cinnamon, ginger and cloves. Mix in small amount of flour; beat in egg. Add remaining flour, blending until smooth. Chill dough about 2 hours. Shape into 1¾-inch balls. Place on cookie sheets about 2-inches apart to allow cookies to spread during baking. Bake in a moderate oven (350°F.) 15 minutes. While warm spread half the cookies with confectioners' sugar glaze. Store in closely covered container.
YIELD: 4 dozen cookies.

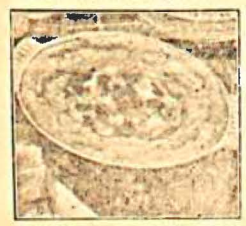
THANKSGIVING "FILLS THE AIR" with a special fragrance of turkeys roasting and pumpkin pies baking. Check over these tips for roasting the bird before you start the job:

1. After turkey is ready for oven, grease skin thoroughly with fat. And lay a fat-moistened cheese cloth over top of bird during roasting.
2. Place turkey on a rack in shallow pan.
3. Roast at a constant low temperature (325° F.).
4. To test doneness, move drumstick up and down—the leg joint should give readily.

FOR A SECOND DAY FEAST, use the remaining turkey or chicken in this fluffy-topped casserole:



Baked Turkey (or Chicken) Puff

1 can (10½ ounces) condensed cream of mushroom soup
½ cup milk
1 cup cubed cooked turkey or chicken
2 cups cooked green beans, drained
4 eggs, separated
½ cup shredded American cheese

Combine soup and milk in a 1½ quart casserole; add turkey (or chicken) and beans. Bake in a moderate oven (375° F.) for 10 minutes. Meanwhile, beat egg yolks well; add cheese. Beat egg whites until stiff and fold into egg cheese mixture. Pile fluffy egg topping on turkey (or chicken); continue baking for 30 minutes. Makes 6 servings.

MEALS IN A DASH ... custom ... And you're ... If you have a ... densed soups ... smack lips over ... soup with egg ...

Book Section of Club To Meet Friday

Lemon Grove Woman's Club Book Review section will meet 1:30 Friday in the clubhouse, when Mrs. H. J. Warner will discuss a group of books she has read and enjoyed.

An interesting co-incident of reading about the book review of last month, by Mrs. John Hill, a former resident of the Grove, now residing in Bremerton Washington, was that her next door neighbor, Olive Barber, is the author of the book "The Lady and the Lumber Jack," which Mrs. A. E. Floto of La Mesa, gave a review on at that meeting.

O.E.S. Farewell Meeting Scheduled

O. E. S. San Miguel Chapter No. 579 will meet Wednesday, November 26, in Friendship Hall, Lemon Grove. This will be the Farewell Night for the 1952 Officers. All members of the order are invited. Callie E. Trumbel, Worthy Matron Ernest Charbonneau Worthy Patron will preside.

Cradle Roll For Lutheran Members

The Ladies Aid of the Lemon Grove Lutheran Church will meet Friday at 7:30 p. m. Mrs. Gus Mauseth will have the topic of box work.

A cradle roll call is scheduled for Sunday. Hostesses are Mmes. Reeder, Tormondson and Waterman.

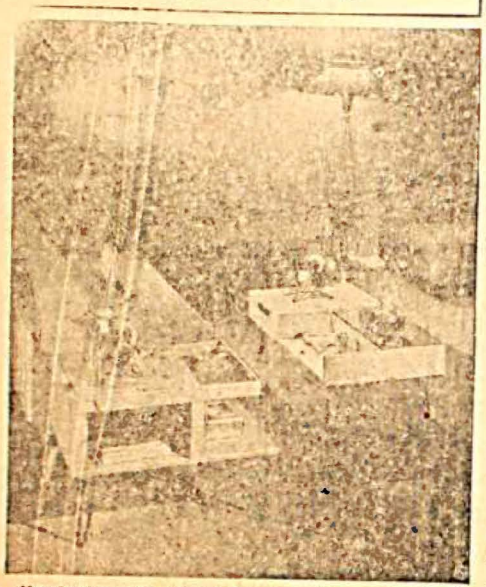
ARTIFICIAL HEART — An artificial heart, successfully used on a man, was recently revealed. The heart pump, shown in action in an operation on an animal, was used at Detroit's Harper hospital, where it was developed by a Detroit team of medical researchers. The artificial heart took over the job of maintaining blood supply of the body of the patient for 50 minutes while patient's heart was opened and worked on by surgeons.

Furniture Fashions



New furniture styles for every room in the house will be shown in stores from coast to coast during Home Fashion Time, Sept. 18-27. To meet the architectural trend toward smaller homes and apartments most of the new units are styled along trim, tailored lines. Metal legs for rich, wood table tops are employed cleverly to achieve the light look so important to small rooms yet without sacrificing the strength and durability of more massive furniture. The Modern tables shown above are mahogany in a light blend finish that emphasizes the natural grain of this fine cabinet wood. The hairpin legs are of black wrought iron. The end table has an unusual look-through glass top section. In the coffee table there's a handy drawer-tray for reading matter you want at your finger-tip, but out of sight. The thick glass top slides so you may easily reach either of the two deep sections. The keynote of all new furniture designs—regardless of the style or period—is functional practicality.

Grove Int. School Marks A. E. Week

The student council of the Lemon Grove Intermediate School presented an assembly program on Wednesday, November 12, as part of the observance of American Education Week. Under the direction of Mrs. Virginia Cornelius, social studies teacher and student council advisor, the "electors" from the homerooms met to cast their votes for the election of president. On November 4 the students of the sixth, seventh, and eighth grades voted for these presidential electors. Frank Ferguson, council president, called the roll for the hometeam "states" and Ronnie Mulder, secretary, recorded them. Ballots were cast unanimously for General Eisenhower.

Ben Schel, school principal, introduced Mrs. C. Edenfield, membership chairman for the Lemon Grove School P. T. A., who announced the membership drive awards. Mrs. Darroch's 8-2 class won the five dollar first prize; Mrs. Virginia Cornelius' 8-5 class won the three dollar second place award; and Mr. Keith Dolan's 7-6 class won the two dollar third place prize.

At this time she also announced the winners of the P. T. A. poster contest. First place ribbon went to Cary Conlee of 7-6; Mike Sauder, 7-5, second place; Mary Lou Monettee, 7-3, third place. Honorable mentions in the poster contest were awarded to Connie Foster, 7-1; Sharon Henderson, 7-4; Nancy Bloom, 7-4; Patricia Boone, 7-2; and Richard Peers, 7-4. P. T. A. members acted as judges in the contest.

The program was opened by members of the Vista La Mesa Girl Scout Troop presenting the colors. Mr. Bridenthal led the assembly in singing. The school band, under the direction of Paul Cheatham, made its first appearance this school term with two numbers.

Public Notices

NOTICE OF SPECIAL SCHOOL DISTRICT REORGANIZATION ELECTION

Notice is hereby given to the qualified electors of the Lemon Grove School District that in accordance with the provisions of the Education Code of the State of California, particularly Sections 4911 to 4920 thereof, a special election will be held on December 5, 1952, within the exterior boundaries of said Lemon Grove School District for the purpose of submitting to the qualified electors of the above-named school district the question of whether or not this district shall become a unified school district.

The polls at said election shall be opened at 7:00 A. M. and closed at 7:00 P.M.

For the purpose of holding said election, said Lemon Grove School District shall be divided into 4 Special Election Precincts, and said precincts are hereby established as hereinafter numbered and described; and the persons hereinafter named being competent and qualified electors of said school district, and of the Special Election Precincts for which they are respectively appointed, are hereby appointed Officers of Election, as hereinafter designated; and said Officers of Election shall conduct said election and make returns thereof pursuant to law as follows:

SPECIAL ELECTION
PRECINCT NO. 1

shall include all the area within the exterior boundaries of the Lemon Grove School District embraced in the following County General Election Precincts: Lemon Grove No. 2 Inclusive; Radio No. 2 inclusive; and a portion of Lemon Grove Nos. 1, 1C, and 1D; and a portion of Radio No. 1.

Each qualified elector of said Lemon Grove School District shall be entitled to vote only in the Special Election Precinct of which he is a resident.

RECOMMENDATIONS OF THE SAN DIEGO COUNTY COMMITTEE ON SCHOOL DISTRICT ORGANIZATION

The San Diego County Committee on School District Organization augmented for the study of the area comprising the Lemon Grove School District has recommended the formation of a Unified School District, the boundaries of which shall follow those of the existing Lemon Grove School District.

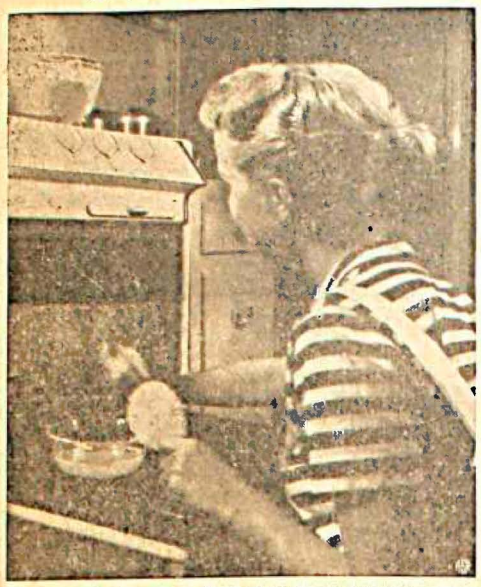
This recommended plan for changing the school district organization was forwarded to the California State Board of Education and approved on October 23, 1952.

IN WITNESS WHEREOF, I have hereunto set my hand this 10th day of November, 1952.

CECIL D. HARDESTY
Superintendent of Schools
San Diego County, Calif.
Secretary, San Diego County Committee on School District Organization

Published in the Lemon Grove Review, November 13, 20 and 27.

A Clean Stove Saves Fuel



The easy way to clean an oven. Leave a bowl of soapy water and ammonia in the oven overnight with the door shut tight. Next morning, suds the interior with a stiff brush. Dirt and grease wash off easily, thanks to pre-softening.

These are days of hearty meals and much home entertainment—and time to check the efficiency of your kitchen to save you time and money. A good start is the kitchen range.

Sputtering burners and smoky ovens are signs of trouble and wasted fuel. A good rule to follow is "a clean stove cooks better, saves fuel and lasts longer." But don't make a chore of it. Keep your stove in working order. Like the proverbial "stitch-in-time," constant care saves hours of hard labor.

Wipe the top and burners with a soapy cloth after each use, but let the stove cool first. Enamel may crack if water is applied while hot. However, wipe up spillovers at once with a *DRY* cloth or paper towel, lest they leave permanent stains. Follow with soap and water when the stove has cooled.

To keep carbon from jamming the pilot light, first turn it off; then scrub the housing with a soft wire brush and wash with a soapy cloth. Make sure surrounding surfaces are completely dry before you relight it, and that connections are "seated" correctly.

Pour grease off the broiler while it is still warm, but let it cool before you soak and scrub it in hot soapsuds. Rub mineral oil on the racks occasionally and they'll resist rust better and longer.

Treat the deep well cooker as you would any aluminum kettle. Lift it out and scrub with hot soapsuds, particularly along the outer edges. Non-insulated covers can be tub-washed, but insulated covers should just be wiped clean with a damp cloth.

The California Public Utilities Commission carries on continuous investigations of the utility companies under its jurisdiction. These include cost of service studies, capital expenditures, depreciation tax trends, adequacy and reliability of service, and a review of safety requirements and accident prevention practices.

St. Augustine-Helix Clash Ends '52 Season

Merk, Kelly Score 21 Points On Hoover

By Jerry Dougherty

Once again Helix Highlanders were out-weighed and out-numbered, but not out-fought in last week's hectic gridfest with last week's Cardinals.

It was easily the best performance by the Highlanders to date. They gave the big birds a slamming around that won't be quickly forgotten.

The opening Hoover kick-off received by Merk on the Helix 12 yard line, returned to the 38. With the help of linemen Bruce Bender, McGuire and Gardner, Merk gained eight yards in three plays then punted to Hoover 16. Don Bender and Crawford winged a Cardinal for a loss. Don Bender recovered a Hoover fumble putting the Highlanders in possession. K. Jordan gained six yards and Kelly, through an opening forced by Davies and Fackrell, gained a first down. Merk picked up four in four plays and Hoover took over on their 34. Don Bender, Stemen, Sinegal and Crawford nipped red bird flights in three tries. The Hoover punt rolled dead on the Helix 25.

Merk on a hand-off raced around right end, outran Hoover tacklers and breezed 70 yards for a touchdown. Bob Christ kicked the extra point. Hurst's kick-off was returned by Hoover for a touchdown. Their try for conversion failed. The Cardinal kick-off received by Merk on his five yard line and returned to the Helix 22. A combined eight yards netted by Bonilla and Kelly, then Merk punted to Hoover 20, returned to their 45 fumbled and recovered by McGuire for Helix, as the first quarter ended. Merk and Kelly carried for four yards in three plays. Merk's punt was grounded on Hoover 21. Fackrell, Don Bender, Crane, Ethridge and Merk by hard tackling held Cardinals for short gains to the 46. On the next play a Cardinal got free for a touchdown. The extra point kick was wide.

Kelly received the Hoover kick-off on his 10 and raced to the 27. Merk gained 13 yards, but lost 15 on a bad pass from center. He gained two, then quick-kicked to Hoover 38. Don Bender, Herald, Lebb, Kelly and Kennison by excellent tackling slowed Hoover gains to the Helix 30, from where a Hoover pass was completed for a touchdown. No extra point.

Lebb rammed the Hoover kick-off back from the Helix 22 to the 30. In three plays Kelly gained two yards. Merk punted to Hoover 32. Karl Jordan and McGuire brought the red bird down on Hoover 43. Merk and K. Jordan bushed a Cardinal after one yard. Bonilla intercepted a pass, which was nullified by a personal foul. A Cardinal took off for a T. D., but was winged by Cedric Jordan after a 20 yard chase. Gardner trapped a Hoover runner for a two yard loss. Crawford recovered a Hoover fumble at the gun for the half.

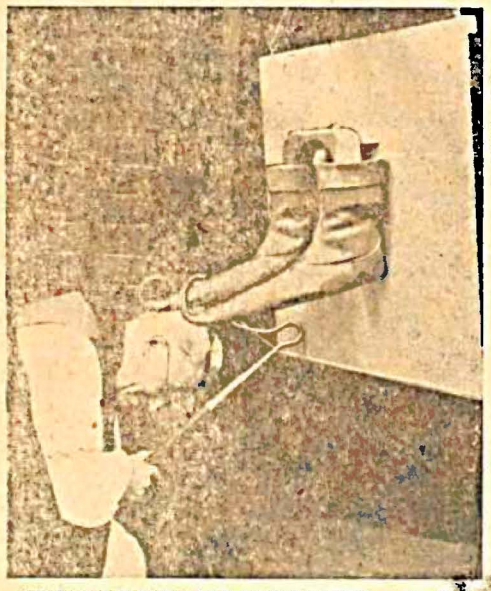
The second half opened with Hurst kicking off to the Hoover 22, returned to the 34 where Harvey dropped the runner. Hurst and Fackrell held three Hoover tries to four yards. The Hoover punt rolled dead on Helix 24. Merk shot a pass to Kelly who struggled for 15 yards. Merk alternating with Kelly picked up four to Helix 42. Merk punted to Hoover 15, returned to their 19. Svalstad brought down a big bird on the Helix 40. Davies recovered a Hoover fumble and Helix took charge on their 35. Karl Jordan swirled for 22 yards. Merk lofted a pass to Adler, who raced for eight yards. Merk plunged for one yard, Karl Jordan smashed for a first down then Kelly lobbed a pass to Merk, who whirled and dodged for a touchdown. The good right foot of Bob Christ netted the extra point.

Hurst kicked off, Hoover receiving on their 15 and returning it to their 30. Kennison, Merk, Davies and Bonilla limited Cardinal runs to the 46, while Gardener and Hurst ended the Hoover drive on the 50. Hoover punted, received by Kelly, fumbled and recovered by Hoover on the Helix 10 yard line. Although Don Bender stopped a smash on the one yard line, on the next play the Cardinals went over for a touchdown, but failed to collect the extra point.

Merk returned the Hoover kick-off from his 10 to the Helix 33. Kelly gained five at the end of the third quarter. Merk's bullet pass to Kelly was good to the 50 yard stripe. Merk fired another pass to Karl Jordan, who bolted for 10 yards. In line plays Kelly gained two, Merk seven and Karl Jordan a first down on the Hoover 26. Merk rifled a pass to Curtis, who dashed five yards. Merk whipped a pass out to Kelly, who raced for a touchdown. Bob Christ collected the extra point.

In the final minutes of the game the Highlanders drove to the Hoover 20 yard line before the gun ended the game. Final score: Hoover 24, Helix 21.

The Highlanders complete their rugged season Saturday, when they meet a spirited and unpredictable St. Augustine eleven in the Aztec Bowl.



CEREMONY HONORS SAINT OF SHOEMAKERS . . . Dr. Bertram Simpson, the bishop of Southward, is shown kneeling and blessing a pair of pattens during special services to honor St. Crispin, the patron saint and protector of all shoemakers. After the ceremonial blessing at Christ church, which is in Bermundsey, Eng., the overshoes, almost perfect replicas of the type made by St. Crispin, were hoisted to the church tower.

UNABLE TO RISE . . . This United Nations soldier who was wounded in the grim and bloody battle with the Chinese Communists for Triangle Hill, is unable to rise from the ground as corpsmen come to his aid to help him to a medical station.

Highway 94 Club Meets Friday

Highway 94 Club meets Friday at Barrett's Store in Campo when nominations for 1953 officers will be made.

A pot luck supper and two speakers will be on the program. Meeting time is 7:30 according to Henry Wood, secretary.

Demand for telephone service in California continues at a high level, according to the state Public Utilities Commission. Despite an increase of 219,000 new subscribers in 1950-51, telephone companies had a backlog of 140,000 unfilled requests for service. Regulated public utilities in California, such as gas, electric, water, telephone and transportation companies, must have the approval of the state Public Utilities Commission before they can issue stocks, bonds or any other kind of securities.

Duck Hunting Expected To Improve Soon

Duck hunting is likely to improve soon in Southland areas as northern storms send more birds south, the Outing Bureau of the Automobile Club of Southern California said today.

Hunting has already improved in the Yule Lake district, and snow was reported falling there today.

A few more ducks have appeared on San Diego County lakes than were present a week ago, but hunting is still only fair.

Intermediate School Uses Same Type Cards

Report cards were distributed to students in the Lemon Grove Intermediate School Friday, Nov. 14. This is the same type of card which was used in the seventh and eighth grades last year. In the elementary schools in the district, a new card will be used this year. This card, a growth report type, was designed by parents and teachers working together on the project for many months last winter.
